Campus space bookings

Service type	Space
Provided by	Registrar’s Office and various other units at the University of Alberta, and the Horowitz Events Centre, University of Alberta Students’ Union
Available to	All registered student groups
Website	University of Alberta website

One of the benefits of receiving University recognition as a student group is being able to book space on campus for events and activities. As per the Space Management Policy, space management is delegated to various units including the Registrar’s Office - Examinations & Timetabling for centrally-scheduled indoor spaces, faculties and departments for spaces within those academic units, Campus & Community Recreation for gymnasiums and other recreational spaces, Conference Services for Lister Conference spaces and campus-wide booking for external parties, and Outdoor Site Booking for outdoor sites.
