Presentations and Workshops

Service type	Knowledge
Provided by	Various University of Alberta and University of Alberta Students' Union units
Available to	All registered student groups
Website	See individual unit info below

Looking to give your group members some professional development opportunities? Consider leveraging the expertise of one of the many campus units dedicated to enhancing student life! Many university and UASU units offer workshops throughout the year, and some even provide the opportunity for you to book a workshop for your group members. Check out each of their websites for more information.

- Career centre
- Wellness supports
- Counseling and clinical services
- Peer Support Centre
- Sexual Assault Centre
