Safewalk Postering service

Service type	Promotion
Provided by	Student Group Services, University of Alberta Students' Union
Available to	University departments, businesses, registered student groups, and other organizations related to student and campus life.
Website	UASU Website

Safewalk offers a poster distribution service to University departments, businesses, student groups, and other organizations related to student and campus life. You can submit a request online!

Please allow one week per 100 posters. If the service is very busy with clients and/or other poster orders, your order may not be accepted. To avoid this, please book your poster request two to three weeks in advance. After you submit a poster request form, Safewalk staff will look over it to confirm that it fits their guidelines. They will then contact you, asking you to drop your posters off at the Student Life Central desk in the Lower Level of SUB (0-81 SUB).
