SGS Newsletter

Service type	Digital resources, promotion
Provided by	Student Group Services, University of Alberta Students' Union
Available to	All registered student groups, general students
Website	Sign up link

The Student Group Services newsletter is released biweekly and includes important updates about administrative processes, deadlines, and different ways you can get involved on campus. Items are contributed by Student Group Services, the Student Affairs Team in Student Success and Experience, and other campus partners such as UASU Events and the Wellness Supports Team. Groups are welcome to submit items to the newsletter as well!

The SGS newsletter is distributed via Rubric. Anyone listed on an Executive Roster will receive the newsletter once we make the switch, as all student group executives on Rubric are automatically subscribed.

Not an Exec but want to stay in the loop? No worries! You can still join our newsletter list by signing up using the link above. To subscribe, click "Add to Cart" once you open the link, choose your preferred checkout option, fill out the necessary details, and don't forget to click "Finalize Order." Once completed, the screen will display "Your order is now complete!"
