Student group CCID

Service type	Digital resources
Provided by	Information and Technology Services, University of Alberta
Available to	All registered student groups
Website	U of A website

If you are part of a registered student group at the U of A, you may:

- Request a CCID for a registered student group (must be requested by group's primary contact or executive).
- Reset a registered student group's CCID password.
- Change the administrative ownership of a Student Group CCID to another member of the group.

Please note that student group CCIDs must be renewed annually and are managed by IST.
